

July-juillet

August-août

September-septembre

Table with 15 columns: Day, Time, Metres, Feet, jour, heure, mètres, pieds. It is organized into three main sections corresponding to the months of July, August, and September. Each section contains 31 rows of data, with some cells empty for days that do not exist in that month (e.g., row 15 in July and August, and row 30 in September).
